Crestline Office Solutions

Corporate office supplies since 2006 | Pune, Chennai, Hyderabad

Response to: Northgate Engineering Pvt Ltd — NGE-RFP-2026-041: 2027 Rate Contract for Office Stationery and Printer Consumables (4 offices)
Submission date: 2026-10-24

1. Executive Summary

Crestline Office Solutions proposes a single managed rate contract for all four Northgate offices. We already serve 35 engineering and manufacturing companies in western and southern India and run our own warehouses in Pune and Chennai.

2. Product Range and Quality

We can supply 176 of the 180 items in the Northgate catalogue from stock. The remaining four (specialist drafting supplies) are available within 7 working days. We offer two brand choices for every high-volume item, and all paper meets IS 1848. Substitutions are made only with written approval from the office administrator.

3. Pricing (sample basket)

Item	Brand	Unit price (INR, excl. GST)
A4 copier paper 75 GSM (ream of 500)	JK Easy Copier	241
Ball pens, blue (box of 50)	Reynolds 045	255
Lever-arch file	Solo	96
Sticky notes 3x3 (pack of 12)	Post-it compatible	310
Toner, HP 26A compatible	Crestline Pro	2,150

Prices are fixed for the full 12-month contract. A 3% rebate applies when annual spend exceeds INR 35 lakh, credited quarterly.

4. Delivery and Logistics

Next-business-day delivery in Pune and Chennai; 2 working days to Ahmedabad and Kochi through our logistics partner. No minimum order value. Orders are placed through a web portal with department budgets and manager approvals, or by email. Our fill rate over the last 12 months was 98.1%.

5. Service and Account Management

A named key account manager based in Pune, with a regional coordinator in Chennai. Damaged or wrong items are replaced within 2 working days. Monthly invoices per office and a quarterly spend report by category and department are included.

6. Sustainability

Recycled copier paper is available at a 2% premium. Toner cartridges are collected for recycling every quarter. We are working towards plastic-free packaging by the end of 2027.
