Response to: Northgate Engineering Pvt Ltd — NGE-RFP-2026-041: 2027 Rate Contract for Office Stationery and Printer Consumables (4 offices)
Submission date: 2026-10-22

1. Executive Summary

GreenLeaf Workplace Supplies helps companies cut the environmental footprint of their offices without compromising on quality. We propose a fully sustainable catalogue for Northgate, with carbon reporting included.

2. Product Range and Quality

We cover 158 of the 180 catalogue items with eco-certified alternatives. The other 22 items (mainly specific toner models and pantry items) can be sourced as standard products on request. All paper is FSC-certified or 100% recycled.

3. Pricing (sample basket)

Item	Unit price (INR, excl. GST)
A4 recycled copier paper 75 GSM (ream of 500)	262
Ball pens, blue, recycled plastic (box of 50)	290
Lever-arch file, recycled board	104
Sticky notes 3x3, recycled (pack of 12)	335
Toner, HP 26A remanufactured	1,980

Prices are fixed for 12 months. No volume discount is offered.

4. Delivery and Logistics

Consolidated weekly deliveries to each office using electric vehicles in Pune and Chennai, and rail freight to Ahmedabad and Kochi. Lead time is 3 to 5 working days. Minimum order value is INR 5,000 per office.

5. Service and Account Management

A dedicated sustainability account manager, quarterly reviews, and an online ordering portal. Replacements for damaged goods within 5 working days.

6. Sustainability

- B Corp certified since 2023; ISO 14001 certified warehouse.
- Quarterly carbon report showing emissions saved per office.
- Take-back of toner cartridges, pens and packaging with recycling certificates.
- Plastic-free, reusable crate deliveries.
